

## **HYGIENE MANAGEMENT POLICY**

**Club Mahindra is highly committed to assuring & consistently delivering a Safe Stay and Service Environment to our Members, Guests, Staff, Vendors and Stakeholders.**

**This will be achieved by our team members through:**

- Providing technologically proven infrastructure, resources and support across our operations and services in all resorts and properties.
- Enhancing every team member's competence, skill and knowledge on hygienic practices by providing continuous training.
- Identifying all potential risks to hygiene management and taking appropriate action at all levels, as an ongoing process.
- Adhering to all legal and regulatory compliance announced by respective authorities.
- Emphasizing on a hygienic lifestyle and practice in each activity for our processes.
- Communicating and giving updates about hygiene system to our members, guests, staff, vendors, stakeholders and other relevant, interested parties.
