IGLO SAUNA

SPA AREA

SUN DECK WITH SMOKE SAUNA

CIRQUE DE SAIMAA – SPA

The **Cirque de Saimaa** spa is built around a carnival and circus theme. The pool area is reminiscent of a riverbed with both quiet waters and waters for having fun, from the multi-function pool to a pier for diving. In addition to waterslides, the senses are inspired by the central piazza with its fountains and colored lights.

On the spa roof, there is a smoke sauna with adjacent wooden bath tubs, and the opportunity to play miniature golf or padel tennis in nice weather.

SAUNA WORLD

Several different style saunas. Playful combinations of steam, colour and sound, the salt sauna and our own Master of Sauna – offer new experiences.
